Dear Friends at TWA,

Thank you for your recent donation of 165.00 to Alex's Lemonade Stand Foundation for Childhood Cancer (ALSF). Your support will make an immediate impact on the lives of children battling cancer.

ALSF is celebrating a decade of "standing" for hope in 2010 as this year marks 10 years since our daughter Alex set out to find a cure for all childhood cancers through her front yard lemonade stand. Since that time, the foundation has raised over \$30 million to continue her dream of a cure for kids with cancer. The money raised has funded over 150 research projects at leading hospitals and institutions across the country, as well as allowed us to create a travel program to help support families of children receiving treatment and develop resources to help people everywhere affected by childhood cancer.

We know that we have only been able to accomplish these milestones in our history with the support and generosity of supporters like you; people who share our vision of finding a cure for all childhood cancers. Thank you again and here's to finding a cure within the next decade.

Gratefully yours,

Liz and Jay Scott - Alex's Parents

"Funding from Alex's Lemonade Stand Foundation has been a lifeline for clinical research on childhood cancer...It is this type of support that will make the difference."

~Heidi Russell, MD, PhD, Texas Children's Cancer Center
